

To the Members of the California State Assembly:

I am returning Assembly Bill 1006 without my signature.

This bill requires the state to consider the residential location of the workforce to be housed in the building, giving a priority to areas that can demonstrate the highest reduction of miles traveled by its workforce. This bill is unnecessary, as the Department of General Services already considers a number of factors when considering where to locate a building. Further, I believe the highest priority for locating state buildings is, and should remain, the ability to provide services to the citizens of California.

For these reasons I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
